Hey, I'm Patrick

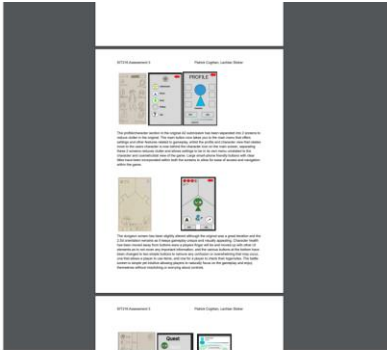

I am a student at Deakin University studying a Bachelor Of Information Technology

Projects

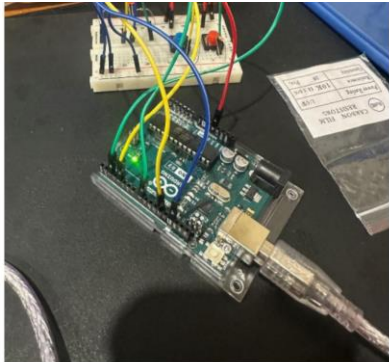

SIT151 A4 Game - INVADERS

A Space invaders inspired game I created in SIT151 for my 4th Assessment

DUNGEON TRAINERS Project Plan

A Project plan for a fitness application game I worked on with a partner early 2024

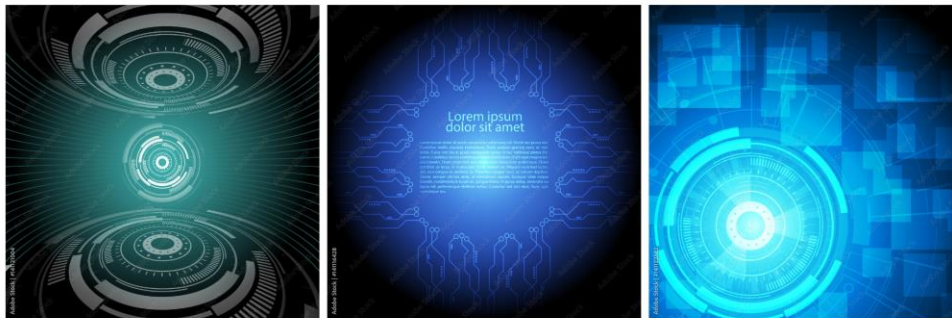

SIT111 Arduino Tasks

I worked with an Arduino Unit and a Breadboard to program hardware to act out scenarios

Image Gallery

A small gallery of some stock images I found on the internet
